

## March Long Course Meet (1ER190183)

30/31 March 2019

### Entry Processing

Thank you very much to everyone who has entered our Meet. We have received approximately twice as many entries as we can accommodate within the maximum time allowed under our licence. Unfortunately this means that we have had to reject a large number of entries.

All entries have been processed in accordance with the meet conditions as follows,

1. Entries received after noon on Saturday 23 February have not been accepted.
2. The Qualifying Times for all events and age groups were made progressively faster and the running time for the competition checked until it was acceptable. The final qualifying times were as follows:
  - **Sessions 1, 2, 3.** Swim England East Region 2019 Qualifying standard +2%;
  - **Session 4.** Swim England East Region 2019 Qualifying standard +2.5%;
  - **Sessions 5, 6.** Swim England East Region 2019 Qualifying standard +3%.
3. All entries were processed against the revised qualifying times, and the initial accepted/rejected entries produced.
4. Para-swimmers have been accepted for all events to which their classification applies.
5. The 800m and 1500m freestyle were limited to 5 heats and 3 heats respectively (with one heat of each dedicated to the reverse long-distance events). Again this was achieved by adjusting the qualifying time across all age groups. Reserve lists for each of the long-distance events will be published within the next week. *We would be grateful if swimmers could withdraw from long-distance events and/or the reserve list as soon as they are aware that they no longer intend to swim. This will mean we can improve the chances for the remaining swimmers.*

Refunds for rejected entries will be made to the clubs concerned via electronic banking or cheque PRIOR to the meet. Refunds are not available for withdrawals, except on medical grounds.

## Team Luton Swimming Club

contact@teamluton.com

As per the conditions no late entries, changes or date of meet entries will be considered.

We have been made aware by Rushmoor Royals that they still have space at their Level 1 on the same dates in March. The link to their website is shown below
